

Comprehensive Economic Development Strategy Alabama Association of Regional Councils State of Alabama

POPULATION: 4,822,023
SIZE: 52,419 square miles
STATUS: Complete
TYPE: Economic Asset Planning
YEAR: 2010
BUDGET: \$150,000
FUNDING: United States Economic Development Administration, State of Alabama, Alabama Association of Regional Councils

The Alabama Association of Regional Councils (AARC) contracted with Farmer | Morgan to illustrate and analyze regional and state-wide opportunities for economic development. The indicator illustrations represent the past, present and projected future economic development investments by region and within the State of Alabama. The indicator illustrations provide a graphic snapshot of economic conditions by Economic Development Association (EDA) in Alabama.
